Yuzuki Japanese Eatery

Welcome and Enjoy!

At the heart of Yuzuki Japanese Eatery's menu is one specialty ingredient: **shio-koji (salt koji)**. The all-natural fermenting agent—prepared in-house using a process that takes 4-5 days—coaxes out the ingredients' umami character. As a result, our chefs don't rely on bold yet inelegant mass-produced seasonings to flavor our ingredient-driven cuisine.

Our **homemade tofu**, another of our specialty items, is prepared from scratch using organic soybeans (not commercially prepared soy milk). The result is an extremely fresh & sweet soybean flavor that melts in your mouth.

If this is your first time visiting us and you would like further explanation of our food, please let your server know, and they would be glad to help you in choosing a tasting menu.

All ingredients used are fresh and organic from local and sustainable sources.

Please notify your server of any food allergies or dietary restrictions.

20% gratuity will automatically be added to the bill for parties of 6 or more.

Our corkage fee is \$25 per bottle.
